

Financial Tear Sheet

Company Profile

We are a diversified industrial growth company with well-established, scalable platforms and deep domain expertise across three segments: Industrial Products; Coatings, Sealants & Adhesives; and Specialty Chemicals. Our broad portfolio of leading products provides performance optimizing solutions to our customers. Our products include mechanical products for heating, ventilation and air conditioning (“HVAC”) and refrigeration applications, coatings and sealants and high performance specialty lubricants. Markets that we serve include plumbing, HVAC, refrigeration electrical, commercial construction, rail car and locomotive, oil and gas, mining, steel, transportation and general industrial markets.
